MASS MEDIA BUREAU RELEASES NEW FCC FORM 330A

The new FCC Form 330A "Certification of Completion of Construction for an Instructional Television Fixed Service Station" is to be filed to certify completion of construction of ITFS Main station (new or modified), Booster Station, Response Station Hub or 125 kHz (I Channels) station facilities. This form has been approved by the Office of Management and Budget and is now available for use.

The new FCC 330A is available through the Internet. To retrieve the new form by using the Internet, access the FCC's home page, www.fcc.gov, and click on the Forms link. Printed copies of the FCC 330A may be obtained by writing to the Commission's Form Distribution Center, 9300 East Hampton Drive, Capital Heights, Maryland 20743, or by calling 1 (800) 418-3676 and leaving a request on the answering machine provided for this purpose.

The FCC Form 330A is also available using the Mass Media Bureau Broadband Licensing System (BLS). This electronic filing system provides the ITFS licensee with the ability to fill out the FCC Form 330A on-line via the Internet from the Mass Media Bureau's Web Site, www.fcc.gov/mmb, and to file them electronically with the Commission. Internet access to the BLS requires a user to have, at a minimum, a browser such as Netscape version 3.04 or Internet Explorer version 3.51.

For further information contact Melvin Collins (202) 418-1622 or Jackie Swank at (202) 418-2621.
